DISCUSSION:

- Vernon Economic Business Forum (VEBF) postponed to Spring at end of April to mid May 2026. Evan Kovach will look into availability. Discussion about working on improving business list. David Killin explained the errors of the list regarding mailing addresses verses location addresses. Needs much refining. The committee agreed upon creating a video showing the VEBF attendees the highlights of Vernon which will be presented before forum begins. This will attract new businesses and create a sense of a community working together making Vernon even more attractive. Also, the video can be used as advertising on various social media and possible commercials. Between David Killin and Evan Kovach they have contacts who are professionals in the creation of the video.
- Discussion about the lack of attendees for the next meeting, November 18th resulted in a cancellation. The members present won't be able to attend on that date.

CLOSED MEETING at 7:45
